ABOUT ME

A motivated girl who is eager to work hard and loyally in a demanding environment, forge her own path, and pursue her goals by expanding her knowledge and abilities As an employee, render respectable service while being honest and brave. My primary career goals are to increase knowledge and experience in order to advance my career. Also, I maintained my position with all of my fundamental abilities.

EXPERIENCE

- **SLTC | University Student**
Hi!,....I'm Nimashi Undergraduate in Data Science
I am a professional from Sri Lanka with a wide range of abilities, including print design, logo design, letter processing, and website design. I've been working online for the past two years. Right now, I'm a student studying at the SLTC campus, where I'm pursuing a degree in data science. As a Data Scientist, I pledge to offer the best support possible.

EDUCATION

- **SLTC Research University | Bachelor of Science (Hons) Data Science**
- **A/Walisinghe Harischandra College -2020 | G.C.E.Advanced Level Examination (Engineering Technology stream)**
- **A/Walisinghe Harischandra College -2017 | G.C.E.Ordinary Level Examination**
